Completing the Annual Student Loan Acknowledgement

You will need your verified FSA ID.

Go to https://studentaid.gov/asla/ and click the Log In To Start button.

You will be presented with the following information. If you have federal grants, you will be able to view that data as well.
You will have to confirm that you have reviewed the data presented to you.

After confirmation, you will see the College Scorecard. The College Scorecard will display the following information for Johns Hopkins:

- Average annual cost
- Graduation rate
- Typical total debt for your program
- Typical salary one year after program completion
- Typical monthly loan payment for this program

We will receive confirmation that you have completed the annual acknowledgement once it has been linked to a loan.
