Adviser's Approval _____

NOTE: Dropping courses could affect a student's financial aid status, JHU tuition remission benefits, VA benefits, student health insurance plan, or an International student's visa status (if on an F-1 visa, consult with the International Student Services offices before dropping any courses). Please consult the Financial Aid office before dropping below 6 credits. It is also strongly recommended that any student consult with his or her adviser prior to dropping a course. VA benefit recipients must contact the school's certifying official at veterans@jhu.edu.
