

CURRICULUM VITA

Isaac Burt, Ph.D.
Associate Professor
Counselor Education

Personal Information

Name: Isaac Burt

Education

August 2010 Doctor of Philosophy in Counselor Education (CACREP
accredited)
University of Central Florida, Orlando, FL.
G.P.A. 3.9

Dissertation Title *Addressing Anger Management in a Middle School: Initiating a
Leadership Driven Anger Management Group*

May 2006 Master in Mental Health Counseling
University of Louisville, Louisville, KY.
G.P.A. 3.9

May 2001 Master of Public Administration
University of Louisville, Louisville, KY.
G.P.A. 3.9

May 1999 Bachelors of Arts in Psychology
Specialization: Social Psychology
University of Louisville, Louisville, KY.
G.P.A. 3.6; (4.0 in psychology classes)

Certification and Licensure

National Certified Counselor (NCC) # 995732 (2018-Present)

Academic Positions

Faculty Roles

August 2023-Present
Associate Professor
Johns Hopkins University
School of Education
Department of Counseling and Educational Studies (CACREP accredited)

August 2022-August 2023
Associate Professor (With Tenure)
University at Buffalo, The State University of New York
Graduate School of Education
Department of Counseling, School, and Educational Psychology

August 2018-August 2022
Associate Professor (With Tenure)
Florida International University
College of Arts, Sciences, and Education
Department of Counseling, Recreation, and School Psychology (CACREP accredited)

August 2011-July 2018*
Assistant Professor
Florida International University
College of Education
Department of Leadership and Professional Studies (CACREP accredited)

*Was on parental leave for Spring semester (Tenure clock stopped during this time)

August 2010- August 2011
Assistant Professor
Long Island University
College of Education, Information, and Technology
Department of Counseling and Development (CACREP accredited)

Administrative Roles

August 2020-August 2022
Florida International University
Office of the Provost
Director, Black Faculty Association (BFA)

August 2020-August 2022
Florida International University
Office of the Provost
Associate Director
Office to Advance Women, Equity, and Diversity (AWED)

Research Interests

Integration of scientific principles with multicultural (Afrocentric/Africana) counseling
Neuroscience (flow state/optimal experience) and racism/discrimination
Culturally sensitive treatments
Group work and social justice for historically disenfranchised/marginalized populations

Creative and contemporary techniques in counseling

RESEARCH AND SCHOLARSHIP ACTIVITIES

Publications in Referred Journals

Manuscripts Submitted for Publication in Referred Journals

Burt, I., & Tosado, L.A. II (In review). A rites of passage counseling group: Black Panther as a metaphor of strength and resiliency for young Black males. *Professional School Counseling*. **(Manuscript submitted June 2023)**

Burt, I., & Tosado II, L.A. (In review). Combining group therapy with the neuroscience concept of flow state to enhance adolescents' relationship skills post COVID-19. *International Journal of Group Psychotherapy*. **(Manuscript rewritten and submitted April 2023)**

Manuscripts in Preparation to be Submitted for Publication in Refereed Journals

Burt, I., & Tosado, T. (In preparation). Integrating the science of epigenetics with existential-humanistic counseling to increase wellness with Black males.

Burt, I. (In preparation). Increasing resilience in older populations: Flow state as a tool against cognitive and physical decline.

Burt, I. (In preparation). Utilizing the science of play with clients to increase wellness.

Burt, I. (In preparation). The science of sleep: A counter cultural tool to enhance clients' wellbeing and optimization.

Burt, I. (In preparation). The science of psychedelics for mental health: An interdisciplinary model for the profession.

Burt, I., (In preparation). Avoiding scientific racism and deficit model thinking with Black males: A call for action to identify strength-based focuses and strategies.

Burt, I. (In preparation). Creatively engaging Black males in community centers through neuroscience and biological principles: The science behind peer mediation.

Burt, I. (In preparation.) Optimal conceptual theory as a holistic method of counseling clients through an Afrocentric and biological perspective.

Burt, I. (In preparation). Connecting the biological with the cultural: Integrating neuroscience-infused strategies with rap therapy.

Burt, I. (In preparation). A bulletproof Black man: Luke Cage as a metaphor of strength and resiliency for young Black males.

Burt, I. (In preparation). Gatekeeping vs. money, integrity vs. prosperity in Counselor Education programs, which one wins? An Afrocentric perspective.

Burt, I. (In preparation) It's time for counselor education to change: It matters when we only train students from a traditional/Eurocentric vs. Multicultural/Afrocentric perspective.

Burt, I. (In preparation). Increasing wellness with Black males through an Afrocentric worldview: Integrating the science of epigenetics with optimal conceptual theory.

Burt, I. (In preparation.) Optimal psychology as a method of understanding counseling Black men through an Afrocentric/Africana perspective.

Burt, I. & Gonzalez, T. (In preparation). Bypassing constraints of modern-day training for school counselors post COVID-19: Utilization of a mixed reality/simulation as a social justice paradigm.

Burt, I. (In preparation). Working with clients to explain billing: Breaking stereotypes and illuminating the process through an Afrocentric/Africana perspective.

Burt, I., & Gonzalez, T. (In preparation). Break dancing as a culturally sensitive movement-based intervention.

Gonzalez, T., Lopez, A., & **Burt, I.** (In preparation) Using a Mixed Reality Simulation to Train PSC Interns in Classroom Guidance Skills: An Exploratory Study.

Burt, I. (In preparation). Training the trainer: Creating and implementing an approved continuing education system in a counseling program.

Burt, I. (In preparation). Training the trainer: Implementing a CEU provider for helping professional who supervise counselors-in training.

Burt, I. (In preparation). Training the trainer: Implementing a CEU provider program in a counseling program.

Burt, I. (In preparation). Deterring and inhibiting scientific racism and research with young Black males.

Burt, I. (In preparation). Deterring and inhibiting scientific racism in counselor education.

Burt, I. (In preparation). Avoiding scientific racism and deficit model research with Black males: Strategies to identify social determinants through a strength-based focus.

Burt, I. (In preparation). The silent voice of white rage: Systemic racism at its fullest.

Burt, I. Best practices and strategies on navigating the professoriate for BIPOC counselor educators working at a PWI.

Burt, I. Best practices and strategies on navigating the professoriate for counselor educators of color working at a PWI.

Burt, I. (In preparation). Decolonizing mental health: Using flow state to increase and maintain personal optimal experience during COVID-19 and the BLM racial injustice movement.

Burt, I. (In preparation). Decolonizing mental health: Using flow state to increase and maintain personal optimal experience during turbulent times.

Burt, I. (In preparation). Utilizing interactive bystander leadership and counseling principles with STEM faculty to reduce prejudiced behaviors in microaggression-laden university environments.

Burt, I. (In preparation). Developmentally meeting the clients where they are at: Comic books as a metaphor for counseling success.

Burt, I. (In preparation). Wakanda forever! A rites of passages counseling group for Black males.

Burt, I. (In preparation). The missing link: Depression and Diabetes.

Burt, I. (In preparation). Overgeneralized, overrepresented, yet still underrepresented and unrepresented: The plight for Asians dealing with the bamboo ceiling.

Burt, I. (In preparation). Practicing what we preach: Does social justice extend to the classroom?

Burt, I. (In preparation). Can culturally sensitive Humanistic group approaches reduce recidivism in ethnic minorities forced into human trafficking?

Burt, I. (In preparation). Post Natal Depression: Men get it too.

Burt, I. (In preparation). Black Lives Matter: Connecting the dots between ^{3/5} human and Black Lives Matter: A history of struggling for equal footing

Burt, I. (In preparation). Do counselors in training truly understand the message about Black Lives matter and its connection to Black clients?

Burt, I. (In preparation). Social justice competencies: Connecting the dots for students.

Burt, I. (In preparation). Multicultural Social justice Competencies: Bridging the competencies into a multicultural course.

Burt, I. (In preparation). Navigating the professoriate for faculty of color: A qualitative study of faculty.

Burt, I. (In preparation). Relationship decision making for high-achieving women of color: Pros and Cons.

Burt, I. (In preparation). Strengthening behavioral control with adolescents: Implications from a counseling group.

Burt, I. (In preparation). Understanding the power of words through developmentally meeting the client where they are at: The importance of slang in counseling.

Burt, I. Narrative therapy for veterans: Breaking down the walls and stereotypes! (In preparation).

Burt, I. Transforming behavioral limitations into strengths with anger management leadership groups: A paradigm shift for at-risk youth.

Burt, I. A multi-year outcome assessment initiative: A push to increase and improve student learning with career counseling courses in a CACREP accredited counselor education program.

Burt, I. (In preparation). Peer mediation in community centers as a career resource tool to enhance employability in low-socioeconomic neighborhood settings.

Burt, I. (In preparation). Anger management in a middle school setting: Initiating a leadership driven anger management group with youths of color.

Burt, I. (In preparation). Advocating for students: The role of PSC's in school wide positive behavioral programs.

Burt, I. (In preparation). The effect of skin color in counseling: Does it matter?

Burt, I. (In preparation). The only one: The effect of being a person of color in a Caucasian dominated workplace.

Burt, I. (In preparation). Reducing aggression through the development of group self-efficacy and leadership training.

Burt, I. (In preparation). What counselors should know: High stress jobs sometimes equal high stress clients.

Burt, I. (In preparation). Using the Brazilian martial art of Capoeira and breakdancing as a liberatory approach to decolonizing therapy.
