

## **JOHNS HOPKINS UNIVERSITY**

### **Graduate Certificate in Mathematics Instructional Leader (PreK-6) - Online**

#### **State Authorization Disclosure Regarding Educational Prerequisites**

Federal regulations require Johns Hopkins to disclose to students considering enrollment or enrolled in this program whether or not it meets educational prerequisites for licensure or certification by state.

#### **Educational Prerequisites for Professional Licensure or Certification** *(choose from the following, as appropriate)*

- 1 .) Program does not need to certification or licensure.
- 2 ) Program has no students enrolled (Fall 2023 -9/11/2023)

Students should be aware of additional state-specific information for online programs. <https://provost.jhu.edu/education/accreditation-and-academiccompliance>

**Students located in a state where their program does not meet that state's licensure or certification educational prerequisites may have difficulty finding a job in that occupation and/or repaying loans borrowed to complete the program.**
