²A projected increase of 3% was used to estimate the Summer 2025 tuition costs. Actual tuition costs for Summer 2026 will be determined in Spring 2026.

³All students must have health coverage where noted. Purchase of the University's plan is optional and if selected will be billed directly to the student's account.

⁴Matriculation Fee of \$500 is required of new admits before beginning course work in fall semester.

⁵Loan fees are not an additional charge to students. They are an allotment to help cover origination fees charged by the Department of Education.

⁶For summer, full time is now 6 credits, halftime is 3 credits.
